Commissioner for Patents  
Washington, D.C. 20231

Dear Sir:

In response to the Office Action dated March 29, 2002 (Paper No. 17), rejecting claims 1-10, Applicants present the following amendments and remarks to be considered by the Examiner in the above-identified U.S. application.

**AMENDMENTS**

Please replace the present Abstract with the following:

--The present invention is directed to an attenuated *Salmonella* comprising a eukaryotic expression vector for delivery of the eukaryotic expression vector to a eukaryotic cell. Delivery may be to eukaryotic cells cultured *in vitro* or to cells *in vivo*, such as by oral administration of the attenuated *Salmonella* comprising the eukaryotic expression vector.--
